BATES FEATURES	BENEFITS	ADVANTAGES
CAIR® Panel System	Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. CAIR® air panels fluidly adjust with the horse's muscle movement.	• Better performance & freer movement for the horse. • Provides shock and impact absorption.
EASY-CHANGE® Gullet System	Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the saddle to be fitted to suit the horse's changing shape.	• Saddle can be custom fit within minutes. • Horse stays comfortable.
Luxurious Hand Selected Leathers	This saddle is crafted using the finest hand selected leathers from all over the World. All hides are specially tanned to be highly resistant to sweat and to be soft and supple for horse and rider comfort.	• Luxurious feeling for the rider.
Chrome Tanned Prestretched Leather Points	Prestretched for longer durability. Heavily waxed to seal the leather from water or moisture.	• Longer durability. • Increased performance.
Lifetime Guarantee on Bates Tree	Bates Trees are guaranteed for the lifetime of the saddle.	• Great assurance of quality.
